To Whom It May Concern,

TFC ROD BELL has worked for us for many years now, and has been an incredible asset to the team. Soon after he graduated college, he joined the crew and has tremendously impacted our dance floor. His versatile musical talent is unique and is not easy to find. He has adapted to please the diverse crowds that have come and gone throughout the years at Blue Martini. TFC Rod Bell is punctual, reliable, respectful and very ambitious. We would recommend this hard working DJ, TFC ROD BELL 10 out of 10 times to perform for any event. For additional info, please contact us at 215-940-7900.

Thank you
